THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 90-13-G - ORDER NO. 90-445
APRIL 19, 1990

IN RE: Annual Review of the Purchased Gas) ORDER
Adjustment and Gas Purchasing Policies) GRANTING
of United Cities Gas Company) WAIVER

On March 30, 1990, United Cities Gas Company (United Cities) filed a Petition with the Commission requesting a waiver of the application of R.103-804(S)(1)(b). United Cities states that its attorney, Jerry W. Amos, is a member of the Bar in the State of North Carolina and is uniquely qualified to represent United Cities in these proceedings. Mr. Amos has represented United Cities for approximately nineteen years and during that period of time he has directly participated in numerous rate proceedings and other matters before this Commission. United Cities is informed and believes that representation without local counsel will not serve to impair the interest of any party in this proceeding.

The Commission finds that the request of United Cities Gas Company for a waiver of the application of R.103-804(S)(1)(b) for the purpose of the instant proceeding is granted.
